Dear Members of the African Association for Public Administration and Management (AAPAM):

We hope this message finds you well. On behalf of the Board of Directors of the National Forum for Black Public Administrators (NFBPA), we are pleased to extend an invitation to all members of our esteemed partner organization to participate in NFBPA's FORUM 2024.

Taking place in Baltimore, Maryland, from April 3rd to April 7th, 2024, FORUM 2024 is centered around the theme "Excellence in Service - Strength in Leadership." Given our shared commitment to public service excellence, this event provides a unique opportunity for our members to immerse themselves in a wealth of knowledge, connect with industry experts, and foster valuable networks with public sector professionals from across the nation.

NFBPA is the premier association of African American public leadership with a reputation for strengthening the capacity of public service professionals through professional development, research and data sharing of relevant topics that impact our communities. AAPAM is one of NFBPA's strongest partners.

NFBPA would be honored to host a delegation of AAPAM members at our upcoming conference. This would allow our organizations to not only meet in-person, but also share our expertise and best practices as public administrators. NFBPA is proud to offer all members of the AAPAM delegation the exclusive **Partner Rate of \$575**, as well as access to the discounted block of hotel rooms. This special rate is designed to make this transformative experience accessible for professionals like you, dedicated to excellence in service.
